## *North Florida Hispanic Festival 2016*

Dear Community Member:

I am writing this letter to invite you to support and participate in our annual Hispanic Festival 2016 Event. This year we are also celebrating 23 years of festivities in our community. The Hispanic Festival is scheduled Saturday, October 22, 2016 at the grounds of St. Louis Church located at the intersection of Fred George Road and Old Bainbridge Road in Tallahassee. Proceeds from this event will benefit our Hispanic Academic Fund to help graduating high school students wishing to attend college.

We are always pleased to work with others who share our passion and involvement in our local community as well as supporting the American spirit of charity and generosity to those needing assistance.

Please consider supporting the students who will benefit from this year's event. You may donate cash, gift cards or participate with another level of sponsorship (please see attached form for more detail).

Your participation will be acknowledged in writing and all printed event materials, press releases, the Tallahassee Democrat, radio, TV, and other social sites on the internet.

If you would like to participate in this year's Hispanic Festival 2016, please let us know as soon as possible. I look forward to hearing from you.

Sincerely,

*Olga Castillo-Schmitz, President*

North Florida Hispanic Association
